Justice Department Members: I believe that it is past time to end the Clinton era Anti-trust law abuse. It is a sad state of affairs when men and women aren't allowed to achieve what they are able to achieve legally because someone who isn't able to achieve as much yells "foul". I'm tired of all these petty lawsuits that make lawyers wealthy and naturally competitive persons want to give up on the American dream of making wealth through hard work and ingenuity. This is the kind of thing that will bring America down if allowed to continue. PLEASE, PUT A STOP TO IT! Helen Hoffman 4805 Serena Court. Carmichael, Ca. 95608-4240
